2025 HANGAR BALL

# Welcome

Hello everyone,

As General Manager, it is my pleasure to personally invite you to become a sponsor for the 2025 CareFlight Hangar Ball, held on Saturday, 24 May. This event not only provides a unique opportunity to showcase your support for our lifesaving mission but also highlights your commitment to communities across Australia.

For nearly two decades, CareFlight has proudly served the Top End, providing emergency care, trauma training, and vital critical care transport to those in need, no matter where they are. From our humble beginnings operating a single helicopter to our current fleet of helicopters, jets, planes, and ground transport, we have grown alongside the Territory to meet its ever-evolving healthcare needs.

We are incredibly proud of the service we deliver to all Territorians every day and look forward to sharing our journey with you and your team. On this unforgettable night, you'll hear from our crews, relive memorable moments from the field, and gain insight into the impact your sponsorship makes possible. Your support directly contributes to enhancing our emergency and rescue services, ensuring we can continue to provide rapid, expert care

in some of the most remote and challenging landscapes in the country.

Along with our dedicated team, I personally invite you and your teams to join us for a night of celebration, reminiscing, great food, and of course, dancing. It will be a memorable evening that underscores the incredible difference we can all make together for the Territory.

Together, we can help save lives, speed recovery, and serve communities across the Top End.

**Jodie Mills**

General Manager - Northern Operations

# SUPPORT THE ORGANISATION AUSTRALIA TRUSTS

”

As you can imagine after being in a plane crash, the last thing you'd want to do is to get back on a plane. However, the CareFlight crew were very kind and happy. It really helped to calm me during the transportation. The whole thing was very smooth, and I felt that I was 100% looked after and didn't need to worry about a thing.

---

Karla Zuluaga, Past Patient.

”

To the remarkable team at CareFlight, your unwavering dedication and commitment to saving lives make miracles like Sebastian's possible. From the depths of our hearts, thank you for being our guardian angels in times of need. Sebastian's journey stands as a powerful testament to the life changing impact of your work.

---

Madelaine, past patient Seb's mother
